Note: The above fees are correct at the time of printing and The City College reserves the right to amend them without prior notice, if deemed necessary.

We suggest that students should also set aside money to cover text books, approximately £500 for the *Tui Na* undergraduate course and £150 for *Tui Na* postgraduate course. We will advise you which books will be the best to purchase as they will need to be useful to you even after graduation. The college library contains many other books on the subjects we teach.

Professional and Career Development Loans

We are registered as a **Learning Provider** with the SFA (Skills Funding Agency) for **Professional and Career Development Loans** (PCDL Registration Number: 21461), which means that you have the option of applying for a **Career Development Loan** (PCDL) if you are 18 or over, a British citizen, have been resident in the UK for the past 3 years and intend working in the EU after qualifying. To **check your eligibility**, please go to <https://www.gov.uk/career-development-loans>

- The training period for which the Skills Funding Agency allows is limited to a maximum of 24 months
- These loans generally have a lower interest rate, and the main benefit is that the government pays the interest for you while you are training, and repayments only commence once your studies have been completed
- Go to www.gov.uk/career-development-loans/overview for up-to-date information about amounts you could apply for, and participating banks
- **Please note that the Government is ending this scheme as of January 2019 and has not indicated that there will be any replacement**
